Innovation & Expertise

Marley Sanitary systems

High quality, aesthetically pleasing, durable, water and energy efficient solutions for architects, consultant engineers and contracting companies.

Frames for wall hung sanitary ware

Different height frames are available as well as frames specially adapted for disabled WCs and sanitary ware designed for small children.

Linear, point and continuous drainage

High specification linear channel, ideal for wet rooms and a range of point drains which are ideal for shower cubicles, changing rooms and washrooms.

Concealed cisterns

The most compact cistern design, ideal for installation in built-in bathroom furniture.

Full range of accessories

A range of toilet seats, float manifold systems and an extensive range of spares are also available.

Flush actuation plates

High quality glass, real (not synthetic) wood and other design effects as well as more traditional white and chrome finishes.

Ordering information

Before despatching your order please check that you have ordered the appropriate quantity of Solvent Cement.

Carriage charges may apply and will be quoted at time of order.

Linnum floor drainage with 'Elegance' grid

Linnum floor drainage with 'Azure Blue' glass cover, Aura TOUCH infra-red flush actuation plate with WC cistern and frame
